TER THAN

A few dusty miles from Dodge City's fame,
there's a town called Kinsley in the Kansas plain;
and from out this great land of the West's golden days
came a man who has earned our heartfelt praise.

The University of Kansas and Kansas State,
graduated and ready with chalk for life's slate:
he coached and he taught, but ere he'd gone far
he laid down his work, followed the eagle to war.

In the Navy, an officer, he fought for his land;
World War II ended, then came something grand--
the year: forty-six, at Iowa City hear them cheer;
with his team undefeated he's Coach of the Year!

Then at last to our town of Keokuk came he,
last year led the Chief to Little Six victory.
the silver years passed, and now come the gold;
we're proud of Coach Cormack--give us more of his mold!

Jeri,
Never forget
the gay times we
all had in the rest-

always remember,
that the class of "67"
is the greatest, the fairest,
the grooviest in the entire
state of Iowa, America, the
world and the future.
Be good (see ya, Barney)

In addition, the 65-66 Council has striven for closer relations and interaction between the student body and the faculty. With the co-operation of both students and teachers such activities as Homecoming, Character Day, Jack Frost and Career Day were again successfully executed.

The Safety Club has worked with the Keokuk Citizens Safety Council, City Officers, Civic Organizations, and the school. It is co-sponsored by the Junior Chamber of Commerce, and the Keokuk Police Department. The Safety Club has received several national awards for its school and community activities. This year the club has won the Governor Hughes State Award for the best safety club in the state of Iowa. Last year the Safety Club was host for the State Teen-Age Road-E-O.

To teach about teaching--that is the aim of the Future Teachers of America. This is done through films, speeches and discussion of the requirements and benefits of a teacher. Yearly the club awards a \$100 scholarship for the Community College to a Senior member of the club. A new but important event is a reception given for the faculty. This acquaints the teachers with the goals of the club, and enables the members to obtain a closer union with those in the profession they desire to follow.

During the 1965-1966 school year, the Science Club was one of the most active organizations of KHS. With its relatively small membership, the Club was able to undertake more activities than would have been otherwise possible. Included in its activities were field trips and tours throughout the Tri-State area, speakers in all fields of science, and photographic investigations. Many of these endeavors were made possible through the club's sale of apples and candy at all home football and basketball games.

The purpose of the Spanish Club is to provide a means by which students of Spanish can further their research and investigation of the Latin American countries and Spain by observing, discussing, and practicing various customs of those nations while in an informal, recreational atmosphere. The organization, under the sponsorship of Miss Wanda Miller, endeavors to render service to both the school and the community by staging various social events, decorating the school building on selected occasions, and 'adopting' one needy family annually, presenting them with a complete Thanksgiving dinner. Regular meetings are held bimonthly.

Varsity Cheerleaders

J. Riter, L. Stamper, P. Sandona, G. Denholm

School spirit and sportsmanship are two very important qualities needed in any school. These cheerleaders put forth much effort to keep alive those qualities. They work very hard year round in order that KHS can help boost the teams to victory. This year some new cheers and chants have been added to the old ones, and they give the school the needed push for better school spirit.

ACTIVITIES

Roman Holidays

On the night of June 3, the Keokuk Country Club became the scene of a 'Roman Holiday.' As the guests arrived, they found themselves surrounded by the splendor of ancient Rome. The elegant Roman Pillars and fountains provided a magnificent setting for the dancing. Until 11:30, the couples danced to the music of Dick Ballard or strolled by the pool, which was overshadowed by a huge Roman aqueduct. From the Country Club, everyone dashed home to change clothes before a movie at the Iowa Theater. A party at the Elks Club concluded the evening's festivities after which everyone climbed happily into a welcome bed.

Graduation

The glorious days at KHS came to an end June 4, 1965, for 258 seniors, the largest class in history of KHS. The commencement exercises began with the playing of 'Pomp and Circumstance' by the high school band. Elmer Gast, superintendent of schools, presided and presented certificates of merit in scholarship and awarded the diplomas.

First scholastic honors with the Kilbourne and Maude Marshall Hassall prizes went to Kerry Inskip. Second Kilbourne was earned by Bill Davis. The Iowa Bar Association award went to Martha Camp.

After receiving their diplomas, the seniors filed out with mixed emotions while the band played.

Homecoming

The theme of the 1965 Homecoming was 'Autumn Leaves.' The festivities began with a pep rally consisting of a parade and bonfire the night before the game. The next day the Chiefs had a victory over Bettendorf, and that night was the dance where couples danced to the music of the 'Castraways. Reigning over the festivities was Miss Trudy Spees, 1965 Homecoming Queen, and her court, Miss Patti Sandona, Junior Attendant, and Miss Jane Harness, Sophomore Attendant.

Jack Frost

The 1966 Jack Frost Dance was held at the 'Reservation,' with music by the 'Countdowns' from Iowa City. The theme, 'Sleigh Ride,' was carried out with miniature sleighs on the tables and a large sleigh to be used as the throne. At nine o'clock the crowd hushed to see Dave Mahannah and Barbie Glover crowned as Jack Frost and Princess Winter of 1966.

Honors

Student Council Honors Award: P. Sandona, J. Boyle, D. Laisle, R. Gast, L. Willis, K. Inskeep.

At the 1965 Commencement exercises the two students in each class with the highest scholastic average for that year are presented with the Student Council Scholarship Award. For the 1964-65 school year these students were presented with the award.

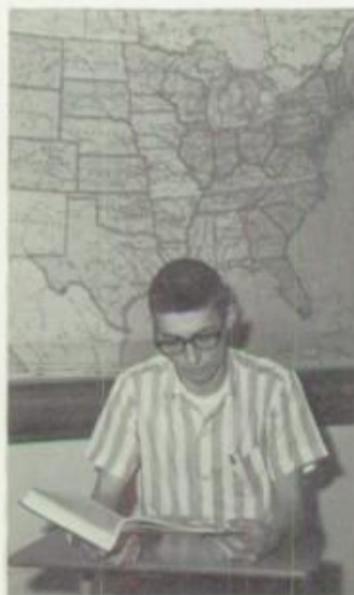

Citizenship K: M. Ackley, A. Umbarger, F. Bertschinger, M. Camp, S. Foglesong, L. Shutt.

Citizenship K nominees are selected by the faculty according to the students participation in all phases of school activities. Three girls and three boys are selected in each class, and their classmates make the final decision.

Four schools in Lee County participated in the first annual Voice of Democracy contest sponsored by the VFW. Nancy Odell won first place and Bob Sinotte followed with second place.

All American History students who have received at least two A's and one B are eligible to take a standard history test in the spring. Richard Gast, who scored the highest, received the Norman History Award.

Some dozen schools from southeast Iowa accepted the invitation of Iowa Wesleyan College to participate in their annual literary contest. Larry Adams won top honors in the poetry division.

Dianne Hilmer and Bob Sinotte are members of the Student Council State Cabinet.

At the Burlington Band Day Linda Shutt was elected by the Chieftain Marching Band to represent KHS as Band Queen.

The American Legions of Keokuk chose Stuart Scott and Roger Gibson as representatives to Boys' State, and the American Legion Auxiliary selected Linda Gastineau to go to Girls' State.

By a vote of the faculty and class members, Linda Shutt was selected for the D.A.R. award. Qualities taken into consideration are leadership, character, patriotism, and service.

The faculty and student body of KHS are the richer for having the young Austrian, Gerhard Armingier, as the American Field Service representative during the year 1965-66. The Robert McDowell family made a home for Gerhardt while he was in Keokuk.

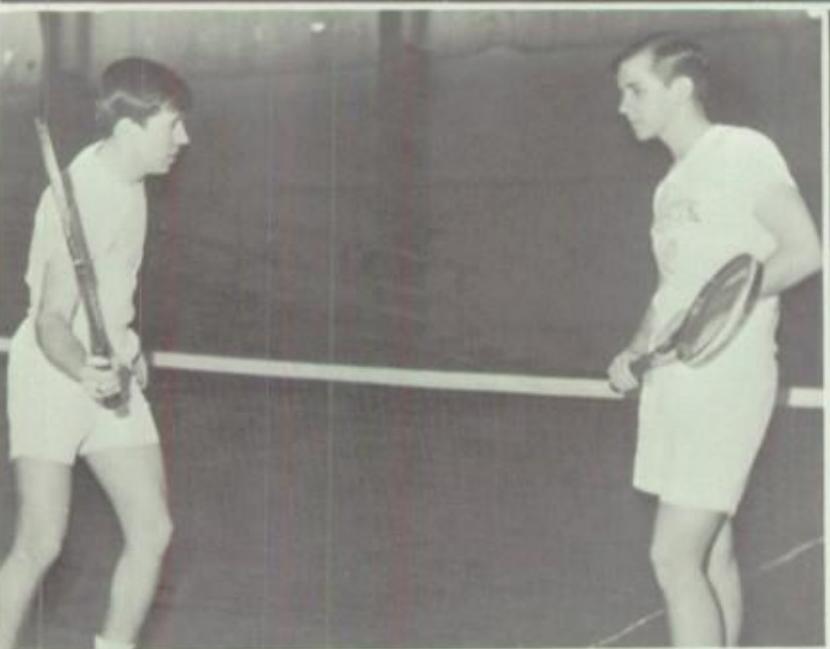

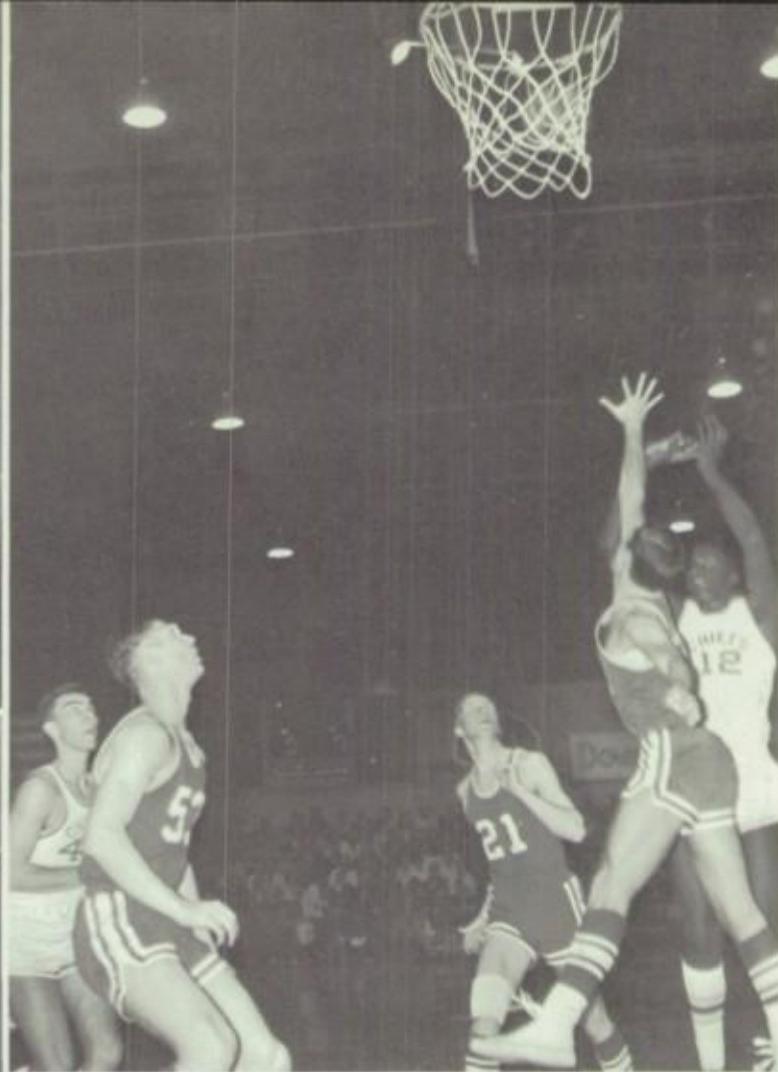

One of the most unique things about the Chiefs' athletic contests was the colorful introduction the team received at the hands of Roger Gibson. Long will the headdress and beat of drums be a part of the memories of the fans of 1964-65 and 1965-66 at Wright Fieldhouse.

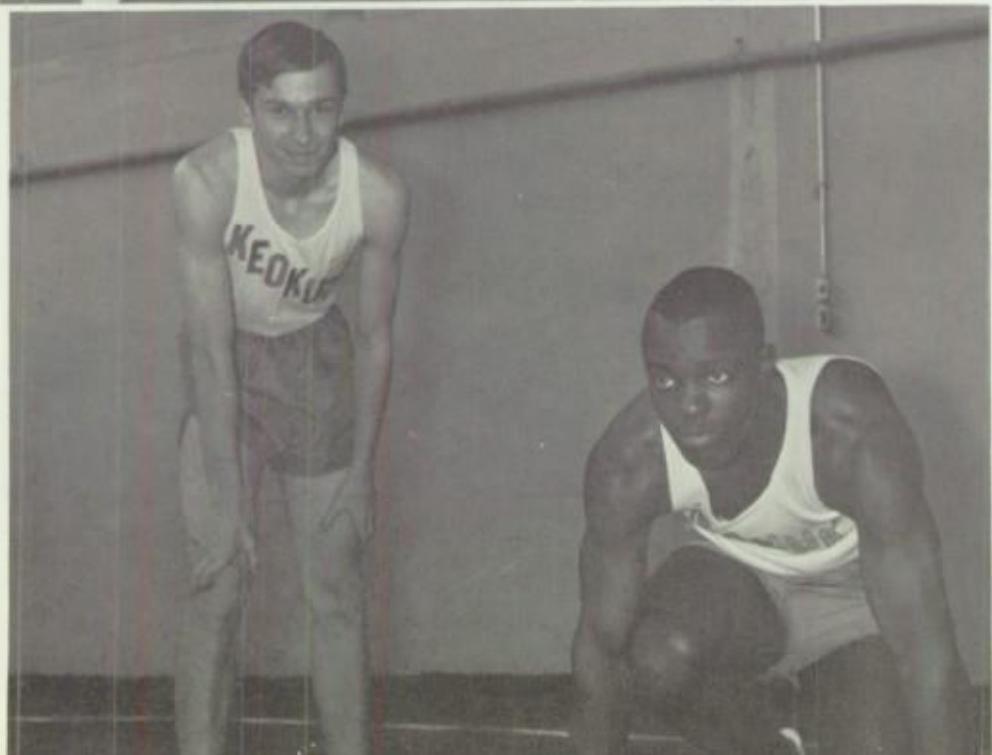

The student body salutes Sharon Launer as the Homemaker of Tomorrow. Over three hundred thousand girls take a test sponsored by General Mills. Miss Winger handles the local contest which usually involves fifteen or twenty senior girls.

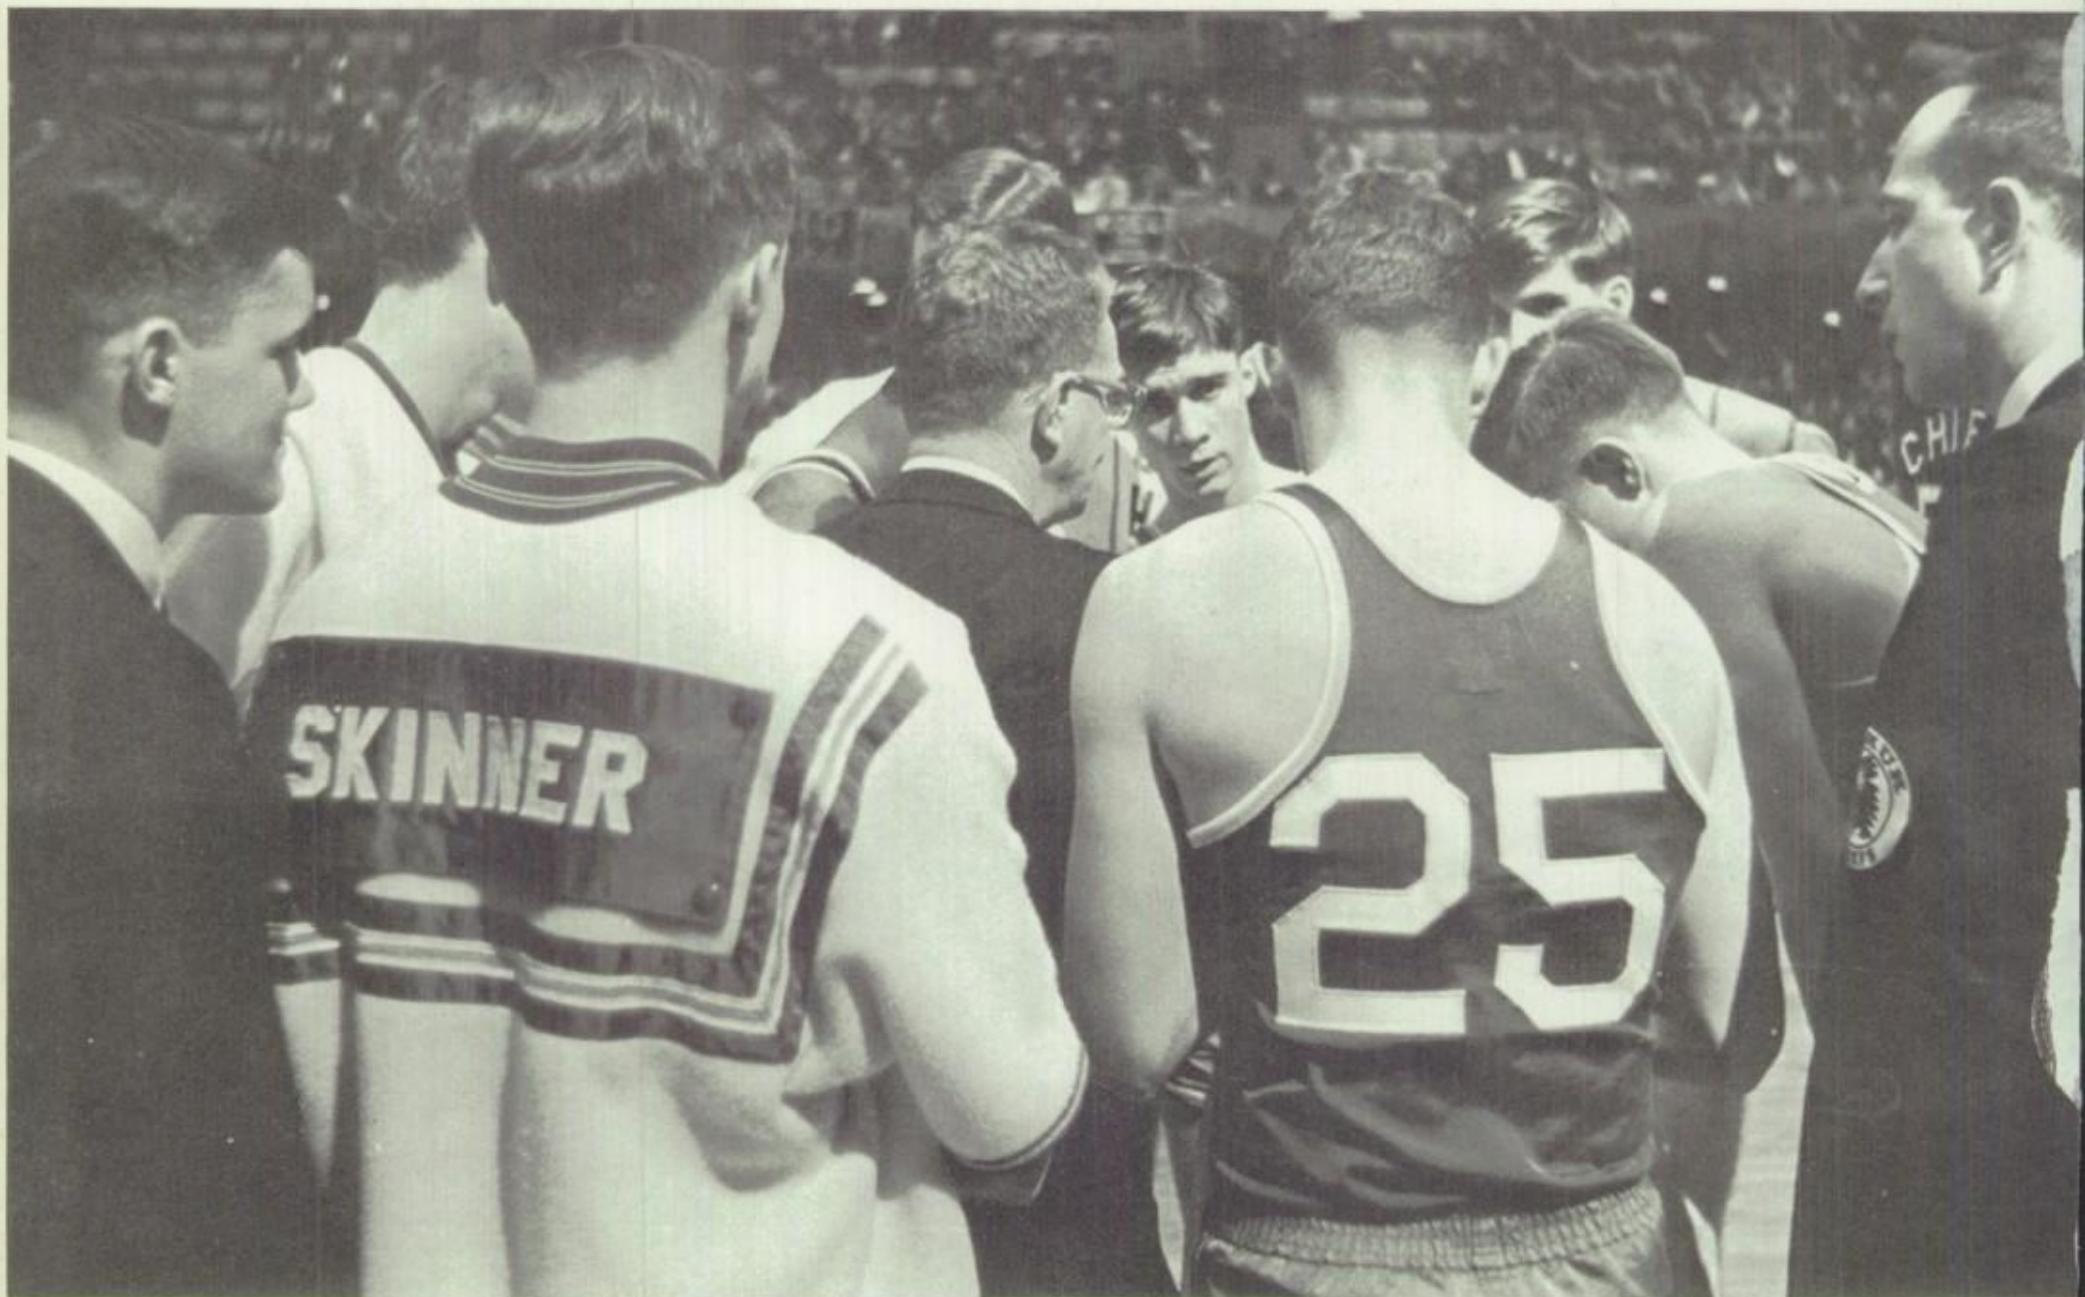

Sandy Nickel, by winning first in the state oratorical contest, qualified for the national NFL contest. This indicates much hard work on the part of Sandy over the past two years, and is another fine honor that has come to KHS.

On the day of March 17, 1965, the dream of the Keokuk Chiefs basketball squad became a reality. Through hard work, and the winning of all of the district and sub-state games, the team had won the honor to go to Des Moines and compete for the title of state championship.

The days of the tournament were March 18, 19, and 20. The first game, played on Thursday afternoon, was a match between Atlantic and Keokuk, the Chiefs coming out on top by the score of 54 to 50. On Friday the Chiefs matched wits against Des Moines Roosevelt, and came out on the short end losing by the score of 68 to 56. Sad over Friday's defeat, the Chiefs bounced back Saturday night to beat Grinnell by the score of 73 to 59, and capture third place in the tournament.

Greg Douglas set a record by scoring 36 points in the game against Grinnell, and he was also named second team center on the tournament team.

The team fought hard and worked for the position of third in the state of Iowa. We of KHS congratulate the squad on a job well done, and we wish them good luck in the future.

If winning the conference championship, going undefeated during the regular season, and being ranked second best in the state are indications of success, then our 1965-1966 basketball team is tremendous. The varsity team has done all of these. In the conference the Chiefs won every game and placed Greg Douglas on the first all-conference team, Jim Ewing and Bob Huiskamp on the second team, and Ron Bennett received honorable mention. Even with this impressive display, Coach Jones believed that Ken Schwab and Jim Dennis also deserved recognition.

These boys are a team not individuals, and the team has been honored. It has been ranked second in the state all year. Our team deserves this rating. They were not beaten during the season which set a new school record. This is the first undefeated team in the school's history. One other record may be set. Greg Douglas is well on his way toward breaking the KHS scoring record held by Larry Swift. Greg is averaging over 26 points a game.

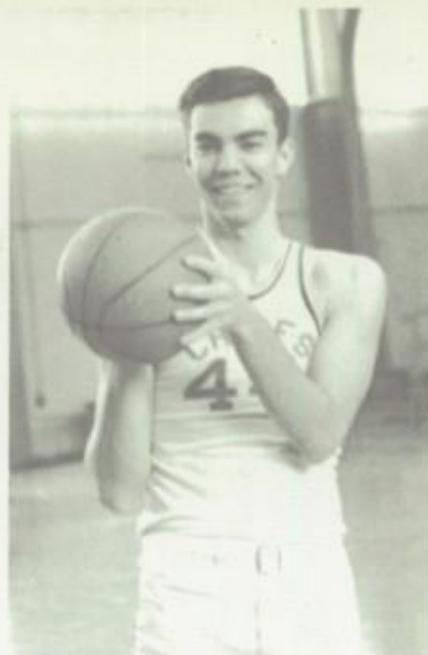

In the first round of tournament play, the Chiefs eliminated Ft. Madison High by a score of 83-47 at Burlington Notre Dame. In the semi-finals, Waco provided a great deal of competition before falling 62-50. In the finals Keokuk broke the game wide open with a fine defensive second quarter, becoming district champs for the fourth year in a row by defeating Burlington 72-55 and entering substate play against Ottumwa.

A big thanks goes to the Chiefs for the best season ever, and we hope they become the best team in the state.

The Sophomores, although not doing as well as the varsity, had a fine season this year. After starting conference play with five consecutive losses, they improved and finished in a tie for fourth place. At the end of the year, they were as good as any team that they played. We congratulate Coach Van Dever and his players for their hard bought 9 win, 9 loss season, and for the progress they have made. These boys will be fine varsity players next year.

Swimming

Our 1965-66 Keokuk High School swim team has exceeded the accomplishments of all previous teams at KHS. They have set nine new records and are looking forward to doing still better in the following years. In the district meet this year, two members of the team deserve special mention for their achievements. Larry French placed 7th in the 400 yard free style and Douglas Crynes received 7th in the 200 yard individual medly, although the rest of the team also did well in representing KHS.

The prospects for next year's swim team look exceptionally well, as we will lose only two of the senior team members and possibly gain a few freshmen. So the students can expect continued success in the following years with the KHS swim team.

Our 1965 football team was a formidable opponent for every team that they faced. Never were the Chiefs beaten easily in their 5 win and 4 loss season. Until the end of the final game, the team was in contention for their second straight conference crown. They lost only two conference games and both of these were bitter defeats. The first was to Assumption, 19 to 21, and the second was a loss to Burlington while Coach Cormack was in the hospital with an ailing stomach. (The loss did not soothe his pain.) This year's team was interesting to watch due to the wide open passing attack which the Chiefs used. Mac Hampton, John Nepote, and Bob Huiskamp were the major components of this passing combination which led the conference the entire year. Bob was the league's leading passer, completing 73 passes for 965 yards and 8 touchdowns. John led the conference in pass receiving by making 29 catches for 556 yards, but he was followed closely by Mac Hampton who finished second by catching 29 passes for 343 yards. To attest Mac's versatility, he also led the conference in scoring. Another high point of the season was the goal line stands the Chiefs were able to master. Five times the determined Chiefs led by all conference tackle Andy Dunne and a fine defensive line repelled their opponents inside the ten-yard line. Congratulations to the Chiefs for their fine team and the exciting football they played.

The sophomore football team had a fairly successful season this year. The Little Chiefs won four out of seven of their games, one being a very happy win over Keokuk's long-time rival, Mt. Pleasant. With the experience gained by some of the sophomores on the varsity squad plus signs of promise from other sophomores, Mr. Cormack is looking for the best in sixty-six.

The Chief track team had some ups and downs during the spring of 1965. In a couple of the relays cindermen of Coaches Peters and Schmadeke made a contest of the meets until the last events. The team advanced one position over last year in its last major contest of the season, promising better things to come. The seniors pictured on these pages will leave their mark on future track teams. Underclassmen returning and a good crop of sophomores should give Keokuk a track team that will move up the ladder from its position last year.

Unfortunately, due to cold and wet weather several meets were cancelled. Nevertheless, Keokuk had a successful record of 9 wins and 1 loss. In the Conference meet held in Keokuk, the Chiefs placed third. In the State Sectional Golf Meet held at Burlington, the Chieftains qualified for the District meet. At the District meet held in Ottumwa, Keokuk placed first. Jack Rogers was the meet medalist. The Keokuk Chiefs placed fourth over all in the State Golf Finals at Iowa City. Tom Huiskamp was runner-up medalist and Gary Hanlin finished 10th. This is the finest record a Keokuk golf squad has ever tallied. Congratulations, Boys! Although the loss of Gary Hanlin and Dave Morgan from last year's tournament squad will be felt; Tom Huiskamp, Jack Rogers, and Colin Williams will be back to provide a fine nucleus for this year, which should result in a successful season.

The 1965 baseball team definitely kept their opponents alert and fighting, but unfortunately were not able to capture many victories. Some of the team's needed players were unable to participate due to summer jobs and vacations. It was a trying experience for these KHS boys to keep the team going during the hot summer, and KHS is proud of their efforts.

With one of the most experienced teams in years to represent Keokuk in the racket sport, the team could do no better than a 12-2 record. The Chiefs won their own Quadrangular Invitational over Ottumwa High, Hannibal, and Christian Brothers. Burlington slipped by the local boys in both the district and conference meets.

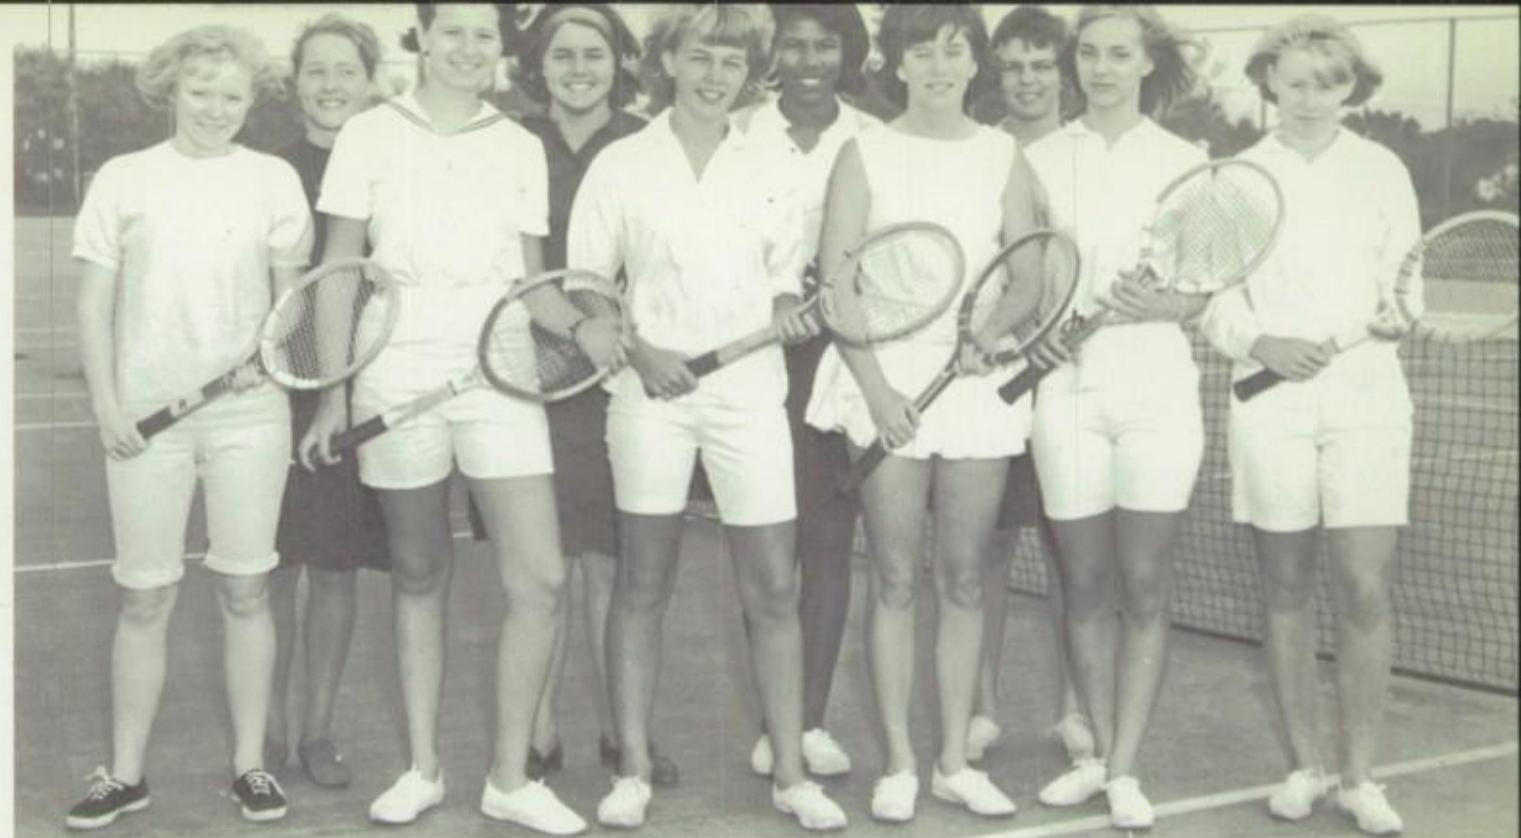

At the district Mike Derr and Allan Jones finished second to Burlington in doubles. Jack Morris duplicated this position in the singles as he lost to the eventual state champion. The conference ended up in the same duo finish, but this time Johnson was runner-up to Murphy.

Johnson, Jones, Morris, and John Saar have left shoes that will be difficult to fill, but Mike Derr, Galen Eckland, Mark Ackley, and Roger Courtney should provide enough experience around which a team can be built to have a fair season.

At the state level they disposed of Grundy Center 6-4, 6-3, but lost to Lincoln of Des Moines 6-4, 2-6, 8-6. Sandy Nickel, showing great improvement, had victories over Toledo and Burlington Notre Dame, but lost to Susan Stultz of Ottumwa 6-4, 6-2. Pat Huff lost to Peggy Mondaro of Walsh.

Keokuk's track fortunes are somewhat dependent on the progress of the distance runners who spend many hours of hard work during the fall. The squad finished second in a dual, third in two triangulars and third in two quadrangulars.

Keokuk made a good start in an athletic event new to Keokuk. Consequently the lack of experience was quite noticeable in this first year of competition, but Mr. Kurtenbach and the team put forth great effort.

John Taylor had the highest total points on the squad. Harold Mueller, Ken Baldwin, and he moved on to the district tournament. These three traveled to Davenport where they were all defeated in first matches. This, along with the success of the Junior Varsity, gave the Chief grapplers one more hold on experience for the wrestling season next year.

This year Concert Chorus is the only large vocal music group at KHS. Many students enjoy singing with this group and in the smaller sextettes and quartettes. Every year the chorus performs for several concerts, the Christmas Vespers, school assemblies, and the Commencement exercises.

Senior Sextet

At last these girls are seniors, and this year will end four years of singing together. They have enjoyed singing for many school concerts, civic functions, and this year Christmas caroling at the two hospitals. For the past two years they have received a '1' rating at the State Music Contest, and are hoping for as much success this year.

Although this group goes under the title of the Junior Sextet, one of its members is a senior (L. Kirchner) who is greatly appreciated by the group. They have appeared both in school and outside activities.

Mixed Quartet

K. Peters, L. Gastineau, D. Laisle (Acc.), L. Shutt, G. Gabel

The mixed quartet was first organized this year. This versatile group performs several times during the year, but they sing mainly for their own enjoyment.

K. Renard, L. Johnson, L. Gastineau, P. Sandona, D. Laisle, N. McDowell

These girls perform a valuable service for Concert Chorus and small singing groups. They each take turns playing the different songs for the chorus, and a few of them accompany a sextet or quartet.

One of the most active organizations at KHS this year is the 65-66 Chieftain Band. During the summer and fall, the Chieftain Band is continually on the march preparing half-time routines, parade drills, and Band Day performances. When the marching season ends, the Chieftain Band slows down and moves inside in preparation for three concerts and the State Music Contest held each April. In addition the Pep Band adds a lot of pep and enthusiasm to each pep rally and home game with their swinging tunes.

'Linda, you've got the situation well in hand.'

'Are you disappointed because you couldn't find the turkey in the straw?'

'Have you seen any turkeys around here?'

'Coffee, Mr. Higgins?'

'There are several 'Eidems' involved in performing this chemistry experiment.'

A normal day between lunch periods.

'New Country Corn Flakes.'

'Good afternoon and welcome to 'What's My Line.''

'These are the times that try men's souls. Or was that, now we're engaged in a great civil war?'

'Next Kent will sing 'The Sneeze and I.''

'Did you say Kentuck fried chicken is for dinner?'

'Hang around with the Gallows'

'Mark my words when I say the best type of song is a Fogle-song.'

'What's that crazy sophomore doing with the seniors?'

'Loafing? Who's loafing?'

A Great Assembly!'

'Who, me?'

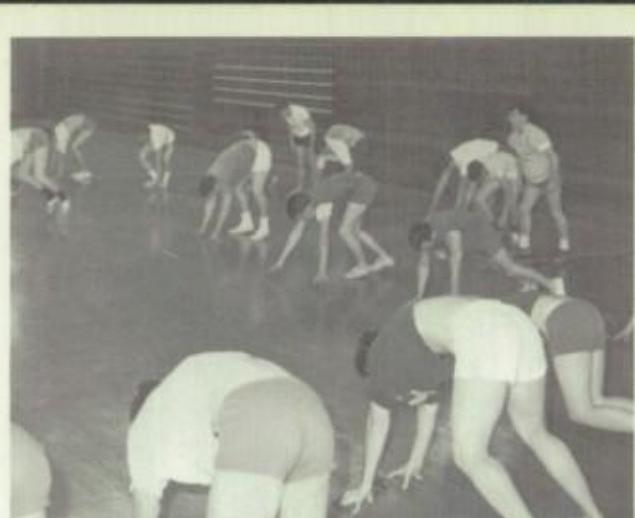

'Ah, would you believe first hour art class?'

'Alas! The school must come down.'

'Oh, really! I'm finally on
Candid Camera?'

He found it and blew the whistle on us.

Lunch isn't that bad,
is it, Louisa?

'Oh I do hope Mr. Eidem
moved!'

'I'll tell you once more. There
are no turkeys at KHS, Kent.'

The effects of a normal speech
contest.

They were 'floored' when they found
out that they had to sweep.

Is it a 10B or a 10C?

'You want what??'

None but the brave did partake, but
it was good.

A miracle, some light
was thrown on the foot-
ball season.

Must have been an exciting
PTA meeting.

'All right everybody out!'

'We caught you this time, Morris!'

Nice Job! Good luck next year.

And if I am elected President
I'll...

'Well, should I chance it?'

It's alive!

eek...a mouse

Now, what's that
about an Algebra
test?

Here comes 'DeYoung-

'Yes, Kent, it's dead.'

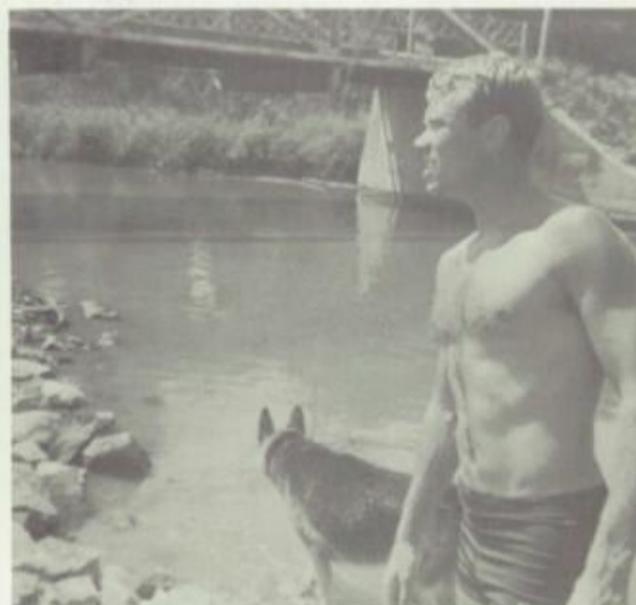

'Ah, Mr. Van Dever lost his whistle.'

Ah, so glad you could drop in.

'On the next play, you hike the ball while I...'

'Who sank my toy sail boat?'

'Who me? Shoot craps? Never!'

'I've told you once, I haven't got your darn turkey!'

'And bringing up the rear...'

'Now what can we talk about?'

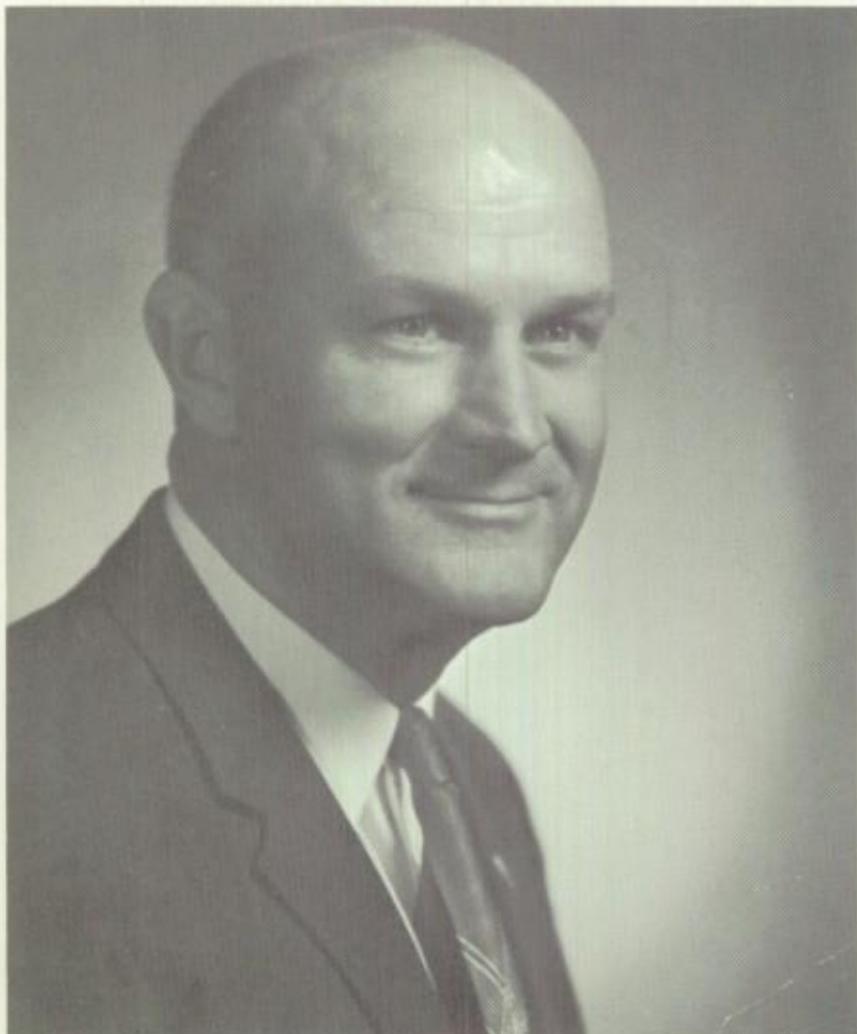

'Do you see what I see?'

'Did you know that Crest produced 41% fewer cavities?'

Mr. Roby Fretwell
(B.A. Culver Stockton,
M.A. N.E. Mo.)
Principal

This June will end Mr. Fretwell's eleventh year as principal of KHS. Although he will no longer be serving as principal, Mr. Fretwell will be continuing his capable efforts toward the constant upgrading which is necessary in any school system, no matter how good, in this modern day of rapidly changing educational needs. Next year Mr. Fretwell will study the problems concerning high school dropouts, and utilize the results of his study in a personal effort to encourage potential dropouts to stay in school. In addition, he will teach a course in mathematics for these people.

We wish Mr. Fretwell much success in his new field of endeavor, and extend to him our sincere thanks for the excellent job he has done as principal for the past eleven years.

Cooks

Office Personnel

Mrs. K. Kennedy and Miss B. Head

Many hard hours are put in by Betty and Karen. They are always available to assist students, teachers, and administrators.

Teaching Assistants

Mrs. M. Gowing, Mrs. M. Hanlin,
Mrs. V. Saint, Mrs. M. McDevitt

These four ladies serve in the curriculum department, libraries, and study halls.

First Row: Mrs. V. Nelson, Mrs. D. Hand, Mrs. E. Carter,
Mrs. A. Bode

Second Row: Mrs. M. Guild, Mrs. N. Nelson, Mrs. M. Smith,
Mrs. B. Danley, Mrs. M. Chesson, Mrs. E. Rosencrans

Thanks to the great work of Vi Nelson and her staff
KHS has the greatest lunches that could possibly be served.

Custodians

Mr. H. Gilpin, Mr. V. Welker, Mr. J. Bunker, Mr. G. Collins, Mr. H. Stice, Mr. R. Brookhart

These men are responsible for the neat appearance of our school. Because of their industrious work, each student can be proud of KHS.

At last, the messy glue, typewriter, vari-typer, pictures, ink, and paper have been put away for another year! Credit goes to every staff member who 'racked' their brains writing copy and who got 'stuck up' gluing pictures. Mr. Gowing can sigh with relief knowing he can once again reclaim his office, he will not have to write anymore yellow slips, and he will not be forever misplacing the copy he just had. Yes, the never-ending confusion has stopped, and the *Comment* for 1966 has been completed.

Hopefully, these pages will serve to remind the class of 1966 of the many wonderful achievements and victories that have taken place in their senior year. The classes of '67 and '68 can look at this yearbook knowing what can be possible for them. We have tried to reproduce a reminder of all the wonderful moments and activities that have made this year the greatest. Any time, any place, the 1966 *Comment* can bring back many fond and lasting memories.

In closing another volume of the *Comment* we the staff would like to salute two people who have had a great deal to do with whatever success can be claimed for these books of memories that are produced annually. Cathryn and John Coffey have been so patient and understanding as we fumbled and deliberated on several choices we faced.

So we say thank you for many, many years of faithful help, Mr. and Mrs. Coffey.
